

NDIS Price Guide 2026

How CCG uses NDIA Pricing Schedule (effective 1 July 2026)

Official NDIA documents

The National Disability Insurance Agency publishes the official **NDIS Pricing Schedule** (price limits) and **Support Catalogue**. Chameleon Care Group follows these price limits for NDIS-funded supports.

- Pricing arrangements: <https://www.ndis.gov.au/providers/pricing-and-payments/pricing/pricing-arrangements>
- Support Catalogue 2026–27 (XLSX):
<https://www.ndis.gov.au/providers/pricing-and-payments/pricing/what-support-catalogue>
- Full Pricing Schedule PDF is linked from our website Laws page when available from NDIA.

What this means for participants

- We charge at or below the NDIA maximum price limits for the relevant support item and location (national / remote / very remote).
- Exact line items (support item numbers) are confirmed in your service agreement or invoice.
- Travel, cancellations and non-face-to-face supports follow NDIA pricing rules where applicable.
- Private (non-NDIS) nursing or packages may use separate fee schedules agreed in writing.

Common support areas we deliver

Assistance with daily life · Community participation · Respite / short-term accommodation (where offered) · Nursing and disability-related health supports · Assessment and report writing (including continence) · Support coordination collaboration as required.

Quotes & service agreements

Before supports start we will confirm: support items, rates, estimated hours, cancellation terms and billing (agency / plan / self managed). Ask us for a written quote against your plan.
